Data Analyst Intern - Offer letter

Date, 19 Aug 2024

Swapnendu Banik,

Congratulations ! We are pleased to inform you that you have been offered an internship position as a Data Analyst Intern with PreProd Corp Private Limited starting from **1 Sep 2024 to 31 Oct 2024.** This internship is designed to enable you to learn industry best practices to build AI products.

PreProd Corp Private Limited is a technology company headquartered in Bengaluru, Karnataka and was established in the year 2023 with a mission to provide its expertised services into educational technology, consulting and software development services for data, business intelligence, AIML, MLOps and other related software services. Our mission is to enable building ethical, explainable, responsible and sustainable AI

As as a Data Analyst Intern you would be responsible for working on PrePod Opnsrc platform having the following deliverables:

- Develop products based on data science and AIML domain
- Be a part of PreProd Opnsrc's product/technology team's scrum board and deliver all assigned tickets
- Log accurately all the work done
- Generate, retrieve and manage all the data related to this opportunity in a secured manner
- Timely communication with the assigned supervisor

Your performance will be monitored and evaluated (as per company's performance evaluation process) on a monthly basis and detailed feedback will be provided to you which should be positively worked upon by you as future improvements.

As a a Data Analyst Intern you would be responsible for the adhering to following compliances:

- Accept or commit on work (quantity) that you are able to delivery with highest quality
- Zero tolerance towards plagiarism
- Generate, retrieve and manage all the data related to this opportunity in a secured manner
- Zero tolerance towards using tools and resources provided by PreProd Corp for work not related to PreProd Corp
- Additional detailed list of operational and ethical compliance will be provided during your onboarding

As a Data Analyst Intern your separation (prior to the completion of your internship) with PreProd Corp could be classified as one of the following:

- **Resignation**: If you wish to resign from the current internship prior to the completion of your internship period, you should send a written intimation via email. Your notice period will end at the completion of the existing sprint (ongoing sprint at the time of resignation). Your FNF (experience letter) will be settled within 7 working days after your last working day.
- **Termination**: Poor performance for 2 consecutive sprints or any breach of compliance (as per the points mentioned above under the compliance section) will lead to immediate termination. You will be provided a detailed email report highlighting the reasons leading to termination.

Welcome to PreProd Corp !

Summary:
- Designation: Data Analyst Intern
- Mode of working: Virtual
- Roles and responsibilities: Technical research and development into topics related to data science and AIML domain
- Stipend: Not applicable
- Start date: 1 Sep 2024
